Our Flagship Annual Course for Practitioners is a comprehensive synthesis of the tools and protocols comprising the Art of Raising Frequency, and guides you on how to incorporate these amazing techniques and their benefits into your life and work. Expand your healing gifts and transform your Personal and Professional Life with this inspiring Master Class in which you will learn new and unique approaches to Vibrational Healing, with special emphasis on Self-Care and Distance Healing.

Personally experience the benefits of Art of Raising Frequency as you learn Step by Step the protocols that interweave the four pillars of Sacred Geometry, Celestial Light, Crystals and Sound into amazingly beautiful and effective energy healing sessions. Most importantly, learn how to easily customize each session for the needs of your client/patient (or indeed yourself)!
