Esoteric Healing Part 2: Integration

- Review and deepen concepts and techniques learned in Part 1.
- Further explore the Constitution of the Human Being.
- Learn additional balancing techniques associated with each Center.
- Learn how to balance the Head Centers.
- Introduction to Rays, Initiations and Kundalini energy.
- Further explore concepts of spiritual evolution, meditation and breath along with other metaphysical topics.
- Integrate Parts 1 and 2 into a comprehensive session protocol.
- Receive Part 2 handouts to add to your Part 1 session binder. Your binder will then include all techniques learned in Parts 1 & 2 along with a new documentation form.
- Includes monthly Zoom practice sessions with time for Q & A.
- Prerequisites: Completion of Esoteric Healing Part 1.

Self-paced online philosophy portion: 6 weeks of pre-class video lectures, meditations and exercises. Must be completed prior to attending the live Zoom class.

Live Zoom Class: In this "live" portion you will learn and practice all Part 2 Esoteric Healing techniques which are based on the knowledge learned in the pre-class videos. By the last day of class you will complete a full Esoteric Healing session, integrating Parts 1 and 2. Will need reliable internet and camera for Zoom class.
