

NAEH Book Circle
Sunday, 30 October 2022
7:00 – 8:30 p.m. (ET)

For our October gathering, we will focus discussion on 2 books by Eileen McKusick: *Tuning the Human Biofield* and *Electric Body, Electric Health*.

How does the material presented in these books further our understanding and practice of esoteric healing?

How does vibrational sound therapy work?

How do we rewire, recharge and raise our voltage?

Please feel free to share your experiences with different sound therapies: tuning forks, crystal bowls, drumming ... and how you incorporate them into your EH sessions.

If we don't finish the discussion of both books, we can easily re-schedule for another time.
